

## Duel Duo Bug Report for Stats display

in list [Test Plan](#)

Notifications

 Watch

### Description [Edit](#)

**The stats after the duel do not reflect how the player won or lost.**

Steps to reproduce:

1. Navigate to home menu
2. Add two bots to Your duo
3. Click Duel
4. Wait for win/lost result

Expected result:

- Display the total health and attack affected results.

Environment:

- Chrome 113.
